

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning...

Loose Leash Walking (LLW)

Goal is to walk next to my handler while giving eye contact & to stay with his pace.

Some other things that I am learning include...

"lets go" and "this way"

These behaviors look like me moving with my handler while giving eye contact. Staying by his side

I am good at...

my "lets go" behavior. I like starting and stopping with my handler. I also really like to look in his eyes.

I am having challenges with...

I easily get distracted. I've learned however that when I do get distracted to check in with my handler

I have the most fun when...

Im playing with my toys.
(I like to walk in circles)

My favorite toy is...

Green Z shaped chew toy

Wags & Kisses,

Paxton
