**Vince &
Mamba**

May 2020

We were featured on the news picking up Vince in the drive through. We got a little cutie with a side of kibble – best drive through ever!

Meet Vince!

Vince was 7 weeks old and 9 pounds when we picked him up. He shares the same birthday as his human mommy!

Mamba is back with us to keep us company during quarantine. He will return to his training in June. Mamba immediately fell in love with his new little buddy.

**And Vince soon
learned to chill in
the backyard with
Mamba**

**Vince is keeping
Mamba on his toes and
Mamba is teaching
Vince some puppy
manners.**

Napping with a buddy is always better!

More napping...

Getting ready for some water play!
