**Pretty cool, I get to go to my Dad's networking meeting and meet many people and watch them eat. It's not very nice, they don't share the yummy buffet.**

I really like this bistro in Studio City. The food smelled so good but I was a good girl and didn't even try... My Dad had treats for me, good enough for now I guess!

Now we are talking, a pet store with treats I can eat, woof woof!  
Ok, I will lie here and be a good girl instead😊.

Here is something fun to share, my first GDA open house sponsored by the Simi Valley Puppy Raisers Group since GDA Sylmar is under construction.

July 20<sup>th</sup> was a really fun time at the Warner Center concerts in the park. I got to listen to ABBA music for the first time. GDA had a booth there so my Dad and I spent some time with a few other puppy raisers. I was very popular and got to meet so many people that stopped to pet me and learn about GDA and what we do for the visually impaired.

To conclude, I am really looking forward to meeting many of you at the Sepulveda Building Materials 34th Annual Hobie Schram, Memorial Charity Golf Tournament, Friday August 8, 2014. See you all there and make sure you stop to pet me. I should be even bigger by then... Giselle OUT.
