I can park anywhere, really I can and I fit too ☺

I like to drive and I know to park my tail before the door closes too.

I am Giselle you know....

Well my friends, the time has come for me to say goodbye to my puppy raiser and so many civilian friends. I had an amazing time learning so many things. I am ready Sepulveda Building Materials. I am so thankful for your sponsorship through this process and now I am going to Guide Dog College! I am so sad leaving my puppy raiser family but they understand I have a mission. I am Giselle the one and only BABAMMM Official Guide Dog in about 7 months give or take a few.

I have a BIG journey ahead and so many more things to learn with my class mates to become a future Guide Dog. I will do everything in my Giselle power to be on that graduation stage. Thank you from the bottom of my Labradorish Giselleism  
HEART xoxoxo

Until we next meet, Giselle OUT.....
