# Hello!

My name is Isaac.  
I am a black lab and I was  
born on August 5.  
I can't wait to go on this  
adventure with you!

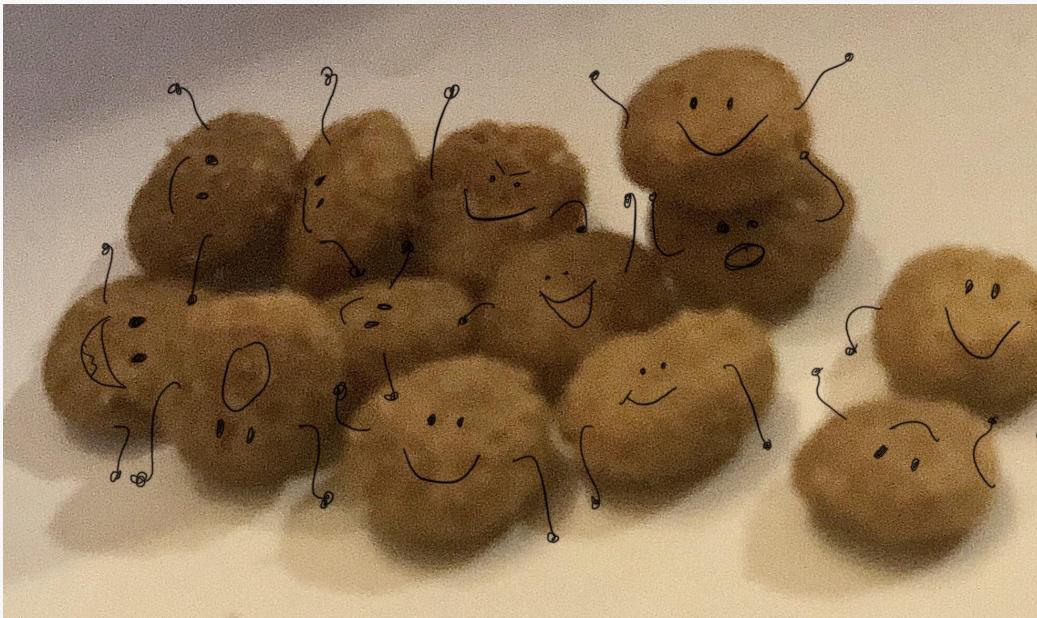

Can you  
spot my  
cool new  
collar?!

This is my person, Katharine.  
She is a junior at La Canada  
High School. Normally, I  
would go to class with her but  
for now I am loving distance  
learning!

The most  
important thing  
about me...  
I really  
like to eat.

like reallllyyy like to eat my kibble.

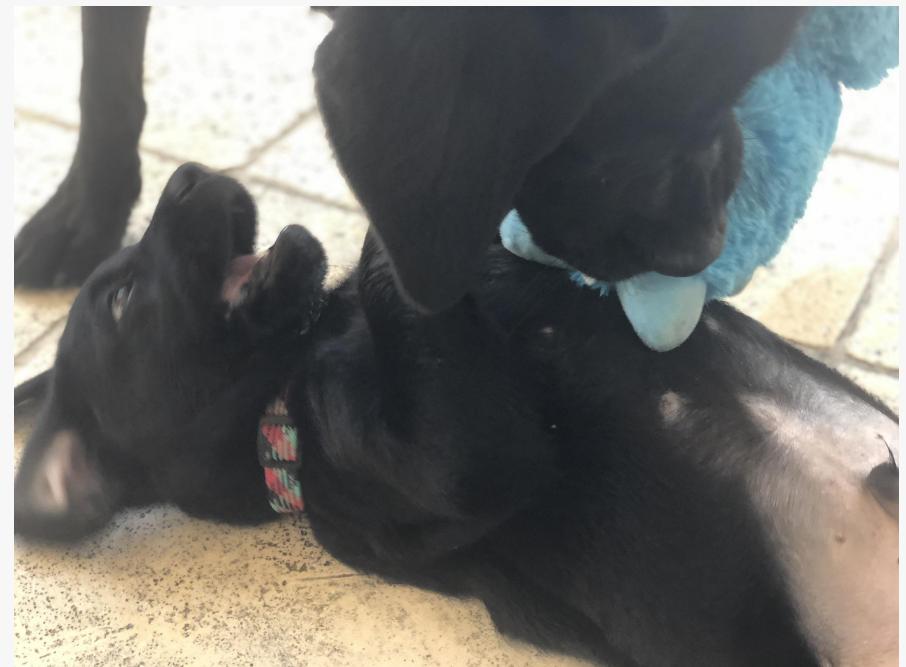

Noodle was career changed in the middle of September. She is teaching me how to listen and behave at home.

## I also like to play with my older sister Noodle.

She is a lot bigger than me but we love to play tug-of-war. I haven't won ... yet.

# Puppy Kindergarten

I spend hours a week practicing my super cool tricks. Let me show you!

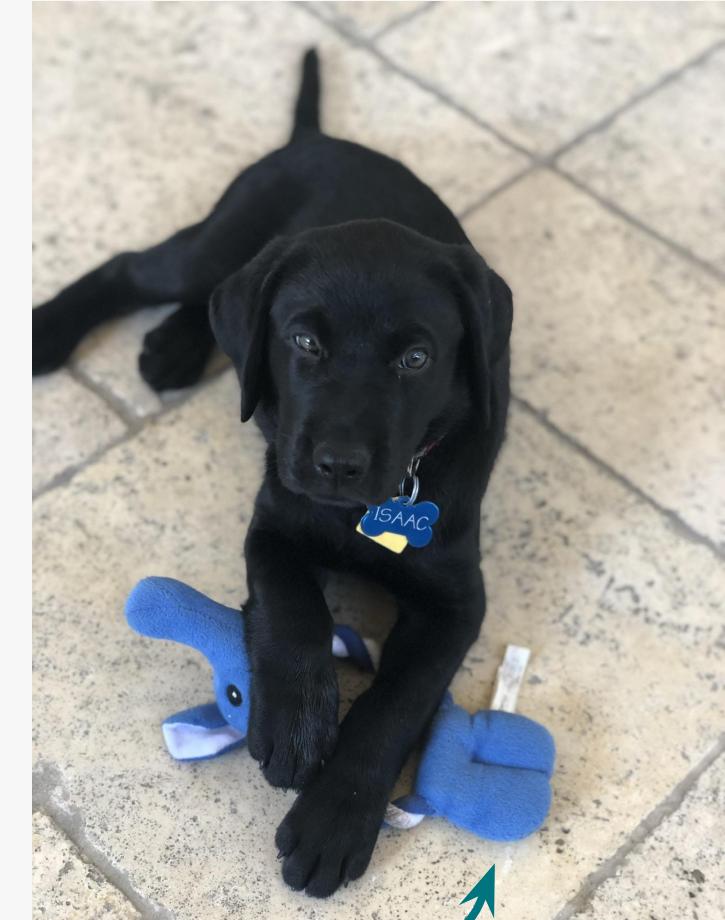

I may  
be in  
school,  
but I still  
have a  
lot to  
learn

One of which is to  
drink water, it always  
seems to fall right  
out!

# These are my favorite toys. Let me introduce you!

\* In case you didn't know, a llama-corn is a unicorn / llama.

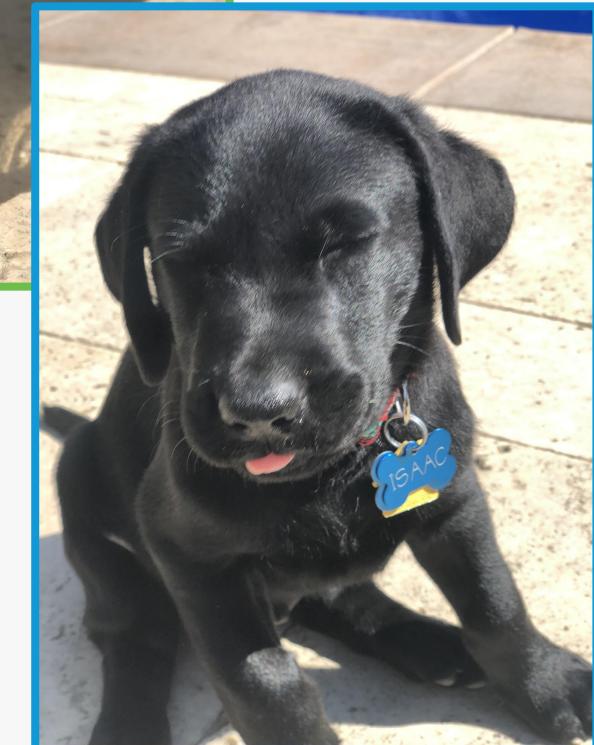

This is my elephant Eledor.

# I am really really silly!

I haven't quite figured out how to stay still during my photoshoots.

#TongueOutTuesdayEveryDay

I have lots of fun when mom takes pictures. She always laughs when she looks over her pictures!

I also really like to stick my tongue out. Look at how pink it is!!
