Hey family! Hope you are all doing well. I know it has been some time since I wrote to you last and there have been some changes! Some of my friends were matched with their partner and have graduated! I am still studying in the kennels and keeping up with my guide work skills so I can hopefully meet my partner soon as well. I have more studying to do so that I can pass my next test, but I am making sure to stay focused and not get distracted.

I am sure you have heard by now that we have been in the newly remodeled kennels for a week now! They are so awesome, and I can't wait for you to see them soon. On the weekends, I have been spending time with some nice people who let me have a nice relaxing break. It's been fun! I get to show off my nice house manner too. Miss you, but still having fun and learning a lot.
