Hello Sepulveda Building Materials!
Thank you for your continued support as I've grown.

Just hanging out at home. Remembering when I was littler than this wooden lab.

Hangin' with Paisley

I'm going to miss my sister
most of all. We love to
cuddle and hold hands.

Enjoying the Weather

Summer fun. Enjoying the pool and trying to stay cool.

Training days, when I was shopping and learning to stay 6 feet apart. I relaxed at Pilates class after a long day of errands.

Training

Watching other dogs play catch at the park and practicing settling at the baseball field with my leaders and some other South Bay puppies and raisers.

Home Depot

Experiencing different surfaces, loud noises and machines. Getting some sun protection.

Flu Shots...

My raisers went to Target to get their flu shots and I got to check out some of the Halloween decorations.

These days of Covid-19 bring long walks to new places around our neighborhood to explore new sights and sounds.

Havin' Fun!

I got to go to a pool and while I wasn't allowed to swim I did love the water and went right in with no hesitation.

Park Time

We have explored a lot of parks in my city. I am learning to settle no matter what is going on around me.

Sit & Stay

Practicing my sitting. I am a dog that likes to lay down, so I've been working hard to stay sitting.

Off to College

I'm on my way to GDA! It is time for training. Or as we say...Off to College!
